## Administrative Procedure

The following process will be followed when recommendations concerning the budget are presented to the Board:

1. A comprehensive review of current expenditures
2. Identification and addressing of inefficiencies
3. Establishment of equitable distribution of resources
4. Identification of provincial funding gap and impacts of proposed expenditure reductions
5. Identification of critical data to support the Boards efforts to improve provincial funding
6. Development of a strategy to seek support from other governments and organizations in the Boards advocacy to change the provincial funding model
